

The floor plan illustrates a complex building layout with multiple functional zones. Key areas include:

- Administrative/Office Spaces:** Bureau 1 through Bureau 5, each with specific HSP and S values.
- Storage and Logistics:** Dépôt 1 through Dépôt 5, Local matériel, Local poubelles, and Local stockage.
- Service and Support:** Service 1 through Service 4, Chaufferie, and Salle d'activité.
- Circulation and Access:** Escalier 1 and Escalier 2, Asc., and various circulation paths (Circulation 1-4).
- Specialized Rooms:** WC 1-3, Réservation, and Réserve alimentaire 1 and 2.

The plan also features a red line indicating a section cut A-A', with labels A' and B' at the ends. Dimensions and HSD/HSP values are provided for many rooms to specify spatial requirements and duct heights.
